FOLD THIS FLAP IN FIRST ↓

Dear Participant,

The PRE-DETERMINE Study needs your help. Although we have previously tried to reach you, we have been unsuccessful. For reasons of scientific validity, it is imperative that we maintain contact with all original participants.

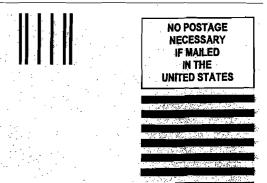

It would be an enormous help if you would take a few minutes to complete the information below and return it to us with this self-seal mailer. Any information you provide will be a valuable contribution to the study and will be kept strictly confidential. If you prefer, you may contact us directly at 1-877-718-8003 (toll free) between the hours of 9 a.m. and 5 p.m. Eastern Standard Time.
